Dear Jay:

Town staff has requested that our Board of Directors comment upon the proposed Historic Preservation Ordinance. At our July 14 meeting we approved the following statement:

“The Board of Directors of the Hacienda Foundation question the need for an Historic Preservation Ordinance given existing CEQA standards and provisions for assessing historical resources. However, should the Town Council elect to proceed with adopting an ordinance, we request inclusion of the requirement that any application involving buildings or grounds at the Hacienda be referred to the Hacienda Foundation for comment prior to any public hearing on the proposed designation.”

Thank you for the courtesy of soliciting our views on this proposed action.

Sincerely,

Judy Dinkle
